

Quality Coach Opens in Calif.

Dominick Vitelli, a 29-year industry veteran, recently launched Quality Coachworks, a custom conversion manufacturing facility in Ontario, California. Quality specializes in state-of-the-art buses, hearses, limousines, and custom conversions.

Dominick Vitelli

Vitelli began his career at 16 when he went to work in the family car business. He later honed his skills by working for some of the largest limousine manufacturers in the world.

"I want my customers to be 100 percent satisfied with the product and service they receive. That is what I base my whole company on," says Vitelli.
