

# 2013 SEMA AUTO SHOW : SCION STRICTLY BUSINESS CARTEL XB

Designed by Jeremy Lookofsky of Cartel Customs and Dominick Vitelli of Quality Coachworks, the custom mini-stretch brings in a business agenda with an on-board Wi-Fi hotspot, Apple® Mac mini, wireless keyboard with mouse and hands-free mobile calling.

Inspiration of project 'Strictly Business' came from the SCION 'what moves you' campaign. Major Highlights that make this build unique is its twist on the business coaches with today's entrepreneurs in mind.
